GOVERNMENT NEWS

Let's grow South Africa together

MANDELA MONTH: SERVE WITHIN YOUR COMMUNITY

- This year's Mandela Month is celebrated under the global theme: **“Do what you can, with what you have, wherever you are.”**
- The Mandela Month comes at a time when government is still helping people to recover from the devastating floods, violence, death of teenagers and tavern shootings.
- This time calls for all of us to come together as one nation to support fellow South Africans who are in need and support community interventions with lasting impact.
- Government urges individuals, communities and businesses to donate their time by supporting a charity or helping those less fortunate, including those affected by floods and violence.
- It can be simple acts, and no matter how small the action, the aim is to change the world for the better - just as Mandela did.
- In the spirit of Madiba, let us rebuild our nation by doing what we can, with what we have, wherever we are.
