### **DSAC and Mogalakwena Football for Hope Centre handover durable Soccer Balls**

The Limpopo Department of Sport, Arts and Culture in partnership with Mogalakwena Football for Hope Centre will handover durable soccer Balls to various clubs in the Province. The durable soccer balls are made of molecularly altered elastomer, it needs no pump or inflation, it never deflates has no air bladder. It is a durable soccer ball, each soccer ball has costed a total of R429.00 excluding shipping cost to South Africa, Limpopo. The soccer ball is a donation from One World Football Movement from United Kingdom which is aimed at contributing towards football youth skills development that will eventually benefit schools, youth clubs and furthermore, reduce social ills in communities.

Communities in Limpopo will benefit a great deal out of the donations. The Soccer balls are made for rural and tough surfaces. Limpopo Province with limited proper grounds and facilities will benefit as the soccer balls fit very well with our living conditions. The project is directed at addressing social ills that our communities are faced with, especially young people, who are faced with drug abuse, teenage pregnancy, peer pressure and HIV/AIDS.

The event is scheduled to take place as follows:

Date : 30 October 2014

Time : 11H00

Venue : Mogalakwena Football for Hope Centre
