The Limpopo Sport, Arts and Culture, MEC Funani Jerry Maseko, has extended his best wishes to Team Limpopo as they travel to KwaZulu-Natal to participate in the Winter National Schools Sport Championships scheduled to take place from tomorrow the 12 - 14 July 2025.

MEC Maseko expressed confidence in the readiness and determination of Team Limpopo to represent the province with excellence, discipline and pride, following the intensive training camp held in Polokwane, this week. "To all our young athletes, coaches, and officials, I wish you safe travels and great success at the championships. Compete with honour, uphold good sportsmanship, and remember that you carry the hopes of the province with you. Whether you win or learn, your commitment to sport is already a victory for Limpopo." said MEC Maseko.

This prestigious national event brings together the best school sport talent from across the country, providing a competitive platform for learners to demonstrate their abilities in various sporting codes. The championship also plays a vital role in promoting school sport development, social cohesion, and a healthy lifestyle among learners.
